

LIST OF PUBLICATIONS
ARIEH SINGER

Reviewed Articles in Journals

- Singer, A. 1966. The mineralogy of the clay fraction from basaltic soils in the Galilee (Israel). J. Soil Sci. 17:138-146.
- Singer, A. 1967. The argillation of submarine tuffs from the Mount Carmel. Clay Minerals 7:101-111.
- Singer, A. 1967. The mineralogy of the non-clay fractions from basaltic soils in the Galilee, Israel. Israel J. Earth-Science 16:215-228.
- Singer, A. 1968. Properties and mineralogy of soils derived from argillized tuff in the Mount Carmel Region, Israel. Soil Sci. Soc. Amer. Proc. 32:839-844.
- Singer, A. and J. Navrot. 1970. Diffusion rings in altered basalt. Chem. Geol. 6:31-41.
- Singer, A. 1970. Weathering products of basalt in the Galilee. 1. Rock-soil interface weathering. Israel J. Chem. 8:459-468.
- Singer, A. 1970. Edaphoids and paleosols of basaltic origin in the Galilee (Israel). J. Soil Sci. 21:289-296.
- Singer, A. 1971. Clay minerals in the soils of the southern Golan. Israel J. Earth Sci. 20:105-112.
- Singer, A., A. Banin and M. Gal. 1971. Electron micrographs of clay minerals from the bottom sediments of Lake Kinneret. Israel J. Earth Sci. 20:125-128.
- Singer, A., M. Gal and A. Banin. 1972. Clay minerals in recent sediments of Lake Kinneret (Tiberias), Israel. Sediment. Geol. 8:289-308.
- Dan, J. and A. Singer. 1973. Soil evolution on basalt and basic pyroclastic materials in the Golan Heights (northern Israel). Geoderma 9:165-192.
- Singer, A. 1973. Weathering products of basalt in the Galilee and Menashe. II. Vesicular and Saprolitic weathering. Israel J. Earth Sci. 22:229-242.

- Singer, A. and J. Navrot. 1973. Some aspects of the Ca and Sr weathering cycle in the Lake Kinneret (Tiberias) catchment area. *Chemical Geol.* 12:209-218.
- Singer, A. 1973. The mineralogy of palagonitic material from the Golan Heights. *Clays and Clay Minerals* 22:231-240.
- Singer, A. 1973. Microcrystalline quartz in basaltic soils of the Galilee. *Israel J. Earth Sci.* 22:263-267.
- Singer, A. 1974. A Cretaceous laterite in the Negev Desert. *Geological Magazine* 112:151-162.
- Singer, A. and A.J. Amiel. 1974. Characteristics of Nubian sandstone derived soils in Israel. *J. Soil Sci.* 25:310-319.
- Singer, A. and K. Norrish. 1974. Pedogenic palygorskite occurrences in Australia. *American Mineralogist* 59:508-517.
- Banin, A., M. Gal, Y. Zohar and A. Singer. 1975. The specific surface area of clays in lake sediments - measurement and analysis of contributors in Lake Kinneret, Israel. *Limnology and Oceanography* 20:278-282.
- Navrot, J. and A. Singer. 1976. Geochemical changes accompanying basic igneous rocks - clay transition in a humid Mediterranean climate. *Soil Sci.* 121:337-345.
- Singer, A. 1976. The significance of the term "Mediterranean" in the nomenclature of soils in Europe and Israel. *Israel J. Earth Sci.* 25:65-78.
- Singer, A. and J. Navrot. 1976. Extraction of metals from basalt by humic acids. *Nature* 262:479-481.
- Ehrlich, A. and A. Singer. 1976. Late Pleistocene diatom succession in a sediment core from Birket Ram, Golan Heights. *Israel J. Earth Sci.* 25:138-151.
- Singer, A. 1977. Extractable sesquioxides in six Mediterranean soils developed on basalt and scoria. *J. Soil Sci.* 28:125-135.
- Singer, A. 1977. Dissolution of two Australian palygorskites in dilute acid. *Clays and Clay Minerals* 25:126-130.
- Singer, A. and J. Navrot. 1977. Clay formation from basic volcanic rocks in a humid Mediterranean climate. *Soil Sci. Soc. Am. J.* 41:645-650.
- Singer, A. 1978. Clay minerals in the soils of Mt. Hermon. *Israel J. Earth Sci.* 27:97-105.

- Singer, A. 1978. Acid insoluble residues of some Mt. Hermon limestones. *Israel J. Earth Sci.* 27:106-111.
- Singer, A. 1978. The nature of basalt weathering in Israel. *Soil Sci.* 125:217-225.
- Singer, A. 1978. Phosphorus retention in some basalt and tuff derived Mediterranean soils. *Agrochimica* 22:75-82.
